CLEANING NATURALLY with dōTERRA Essential Oils

Introduction

Keeping the house clean is a daily task. Whether you have children, little furry friends, or just you, reducing toxic overload in your living space is a must!

Although it may be easy to run to the store and buy a "household" commercial cleaning product, in the long run, those chemical toxins build up and make for an unhealthy and contaminated environment.

Instead of using harmful chemicals in your personal haven, why not use the best quality non-toxic solutions available?
dōTERRA offers the perfect ingredients for a natural and uplifting cleaning regiment.

In this book you will find a few recipes for you to create your very own household cleaning supplies to keep yourself, friends, and family safe.

Cleaning Recipes

Potty Bombs

Ingredients:

1 cup baking soda

¼ cup citric acid

1½ tablespoon unscented Castile soap

15 drops Purify Cleansing Blend

Instructions:

- Stir baking soda and citric acid together until combined.
- Slowly stir in the Castile soap and Purify. Stir until the mixture resembles wet sand.
- Pack the pod mixture into a mold and let dry at least four hours. If the mixture expands above the mold, firmly press back down.
- Once dry, remove the pods from the mold and store in an airtight container.
- To use, simply drop one into the toilet, wait until the pod stops bubbling, and scrub away!
